**(Progress of Disclosure Matter) Announcement of Conclusion of Joint Venture Agreement Regarding the Establishment of OSDC Co., LTD**

OUTSOURCING Inc. (Chairman and CEO: Haruhiko Doi, hereinafter called “OUTSOURCING”) and Dexerials Corporation (Representative Director and President: Yoshihisa Shinya, hereinafter called “Dexerials”) hereby announce that they have reached a final agreement and concluded the Joint Venture agreement as described below, after disclosing on August 28, 2020 that they had reached a basic agreement to establish a joint investment company (the “Joint Venture”) named OSDC Co., LTD.

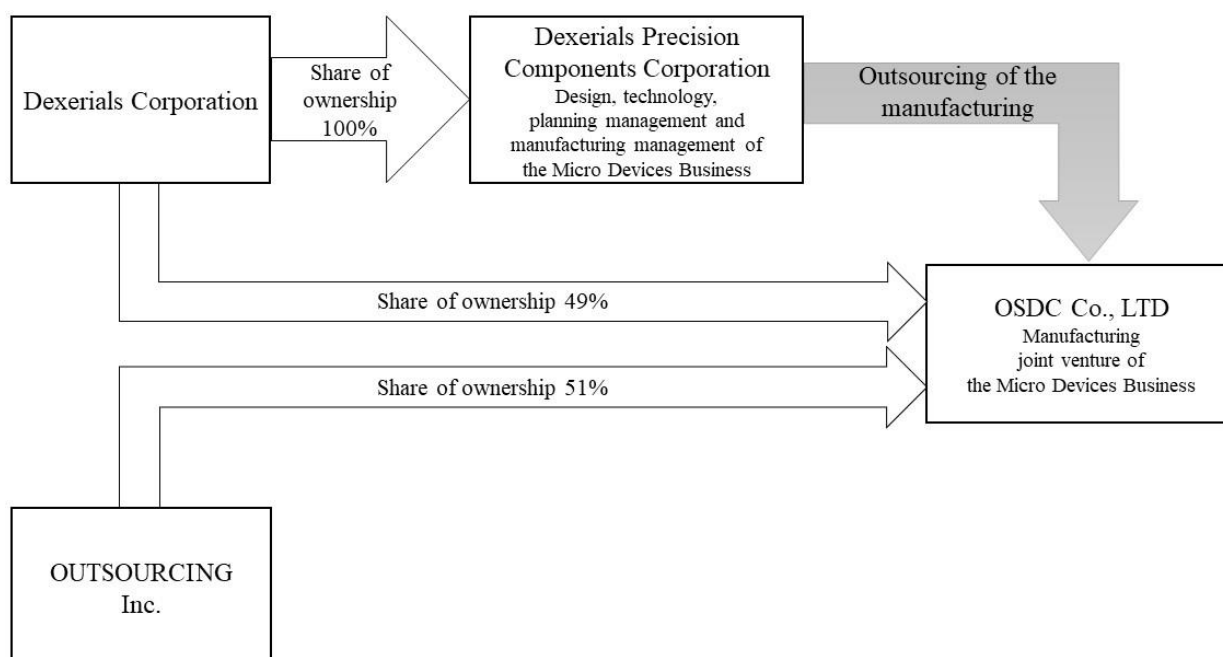

OSDC Co., LTD. aims to start its operation on January 1, 2021 as a Joint Venture which manufactures Micro devices products and others outsourced by the Dexerials Group.

The two companies will draw on their respective strengths for their collaboration, such as OUTSOURCING’s know-how on a wide range of human resources utilization including education, securing workforce and efficiency improvement, as well as Dexerials’ unique technological competence that have been involved in products with large share in the global market. Moreover, OUTSOURCING will strive to deepen the education and expand the number of skilled workers, as well as to increase its performance as a partner of the global manufacturer, while Dexerials will realize sustainable growth in its Micro Devices business through establishing a flexible production system against demand fluctuation. Through these they aim to develop their business and increase the corporate value of the Joint Venture and both companies.
